Subject: Discharge of Condition

Dear

**Land At Womb Farm Doddington Road Chatteris Cambridgeshire, F/YR21/3140/COND ,
PLN-0137202**

Thank you for your enquiry to discharge condition relating to the above development site. Please find our comments below.

Foul Water Comments: The foul drawings submitted in document reference "CONDITIONS 9 11 12 AND 19 INFORMATION PACK" only show a small section of the site. In order to make an accurate network capacity assessment we require a drawing showing the entire development site and proposed connection points. We therefore do not recommend the discharge of condition 19 of planning reference F/YR19/0834/O at this time.

Surface Water Comments:

Should you have any queries or comments regarding this please contact us at planningliaison@anglianwater.co.uk or 07929 786 955 quoting reference PLN-0137202.

Kind Regards

Development Services Pre-Development Team
