Dear Requester

Thank you for your request for information about Buckingham Water Recycling Centre, which we received on 16 March 2026. Your request has been considered under the Environmental Information Regulations 2004 (EIR).

You requested:

1. A copy of the proposed programme of works to increase capacity at Buckingham Water Recycling Centre

EIR Response: Refusal of Requested Information

Item 1 is not held by Anglian Water.

The Buckingham WRC Site will be subject to growth within the new AMP period and subsequently. Therefore, an investment has been raised for this site under our AMP8 Growth Portfolio. Growth/Flow Capacity modifications have been identified as AMP8 additions to the site.

The scheme is currently in its initial solution optioneering phase; where a basis of design will be determined as next steps.

Following which the design will be agreed, costed and a programme of works developed.

We're working to get to the next Delivery Milestone (DM1 – where we confirm the preferred option) by December 2026.
