Description ⓘ

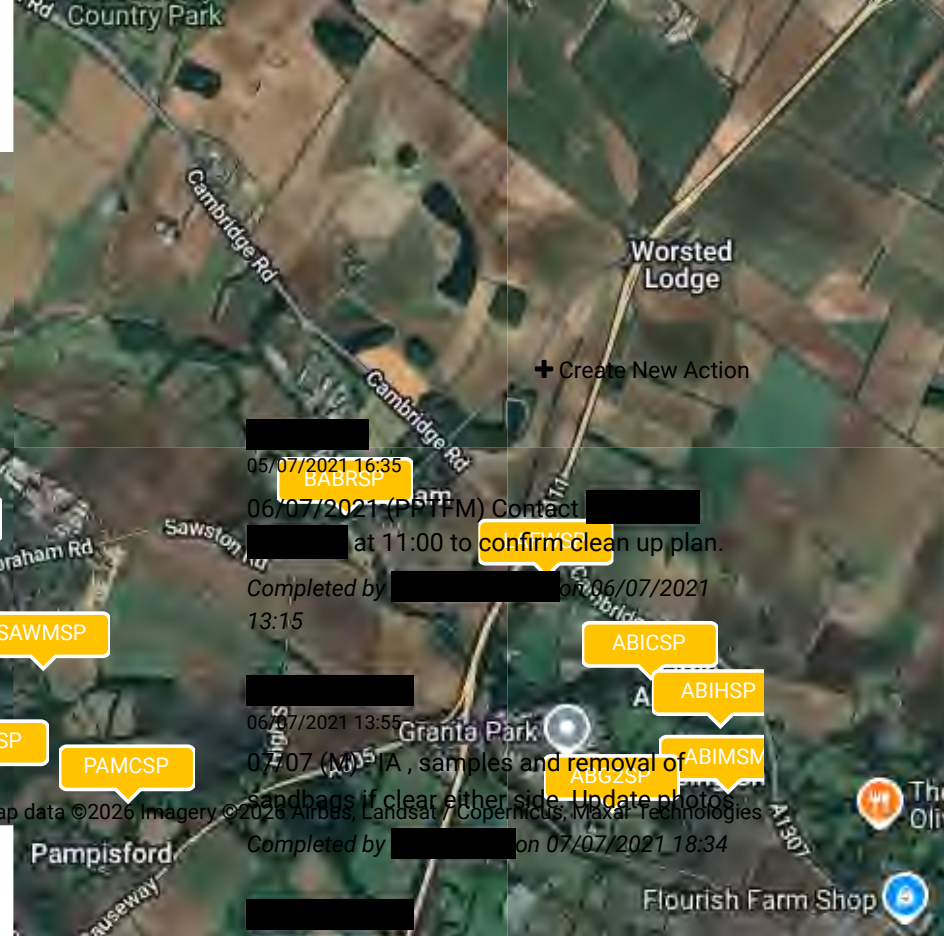

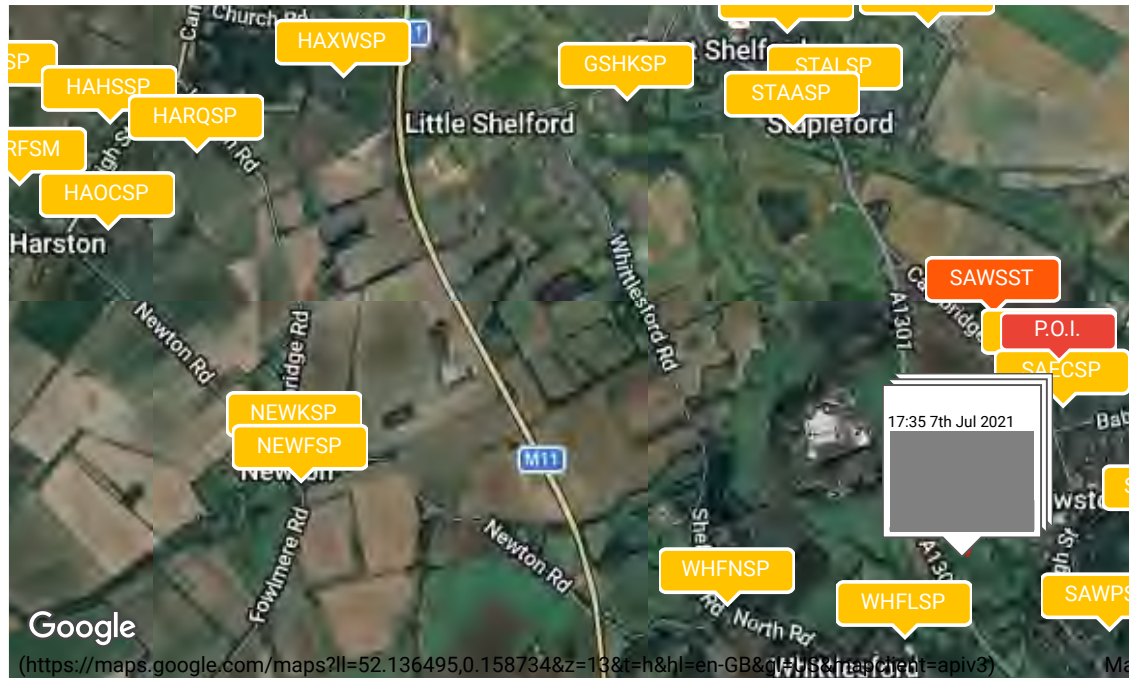

Discharge to watercourse caused by PS Failure

██████████
06/07/2021 13:56

07/07 (PPTFM) - update EA after IA

Completed by ██████████ on 07/07/2021 18:34

Mitigation Actions

Blocked airlines prevented pumps from passing forward flows. Airlines including valves replaced and now easier for visual checking.
