Dear Requester

**Complaint to ICO: reference** [REDACTED]

We write with reference to your complaint to the ICO about the response you received from Anglian Water to your environmental information request made on 12 May 2025.

Anglian Water has revisited the request and its previous position with a view to looking to find a resolution to this matter.

As a compromise solution, Anglian Water has amended its position to disclose the information previously withheld, albeit with personal data redacted in accordance with the provisions of regulation 12(3) and regulation 13 of the Environmental Information Regulations 2004.

In a revised response to the request made 12 May 2025, please find attached by way of disclosure the following:

1. Extract from Strategic Growth Board Minutes 10 January 2025 (personal data redacted).
2. Extract from Financial Determination (4.4 Growths at STWs).
3. Emails from 6 January to 26 February 2025 (personal data and some non-relevant material redacted).
4. Notes 1 relating to Buckingham STW (personal data redacted)
5. Notes 2 relating to Buckingham STW (personal data and some non-relevant material redacted)
6. Reckon's Draft Initial Note on Selected PCDs at Final Determination dated 22 January 2025.
7. FD Implications Presentation (non-relevant material redacted)

Under regulation 12(4)(a), Anglian Water does not hold the information requested at items 1 to 5 of the complaint dated 4 April 2025 (as presented on the What Do They Know website).

Anglian Water's position on the growth funding for Buckingham STW, re-confirmed on 12 September 2025, is,

*'Anglian Water is committed to enabling sustainable development and it is still in the process of prioritising all of the growth schemes for water recycling centres'.*

Details of Anglian Water's revised response have been provided to the ICO.

Should you require any further information in relation to growth funding, please contact Anglian Water's Customer Services via:
