Dear Requester

Thank you for your request for information about emergency overflows, which we received on 2 September 2025. Your request has been considered under the Environmental Information Regulations 2004 (EIR).

You requested:

1. How many emergency overflows have a monitor installed
2. How many emergency overflows do not have a monitor installed
3. How many emergency overflows have an exemption to having a monitor installed
4. How many emergency storm overflows have discharged this year
5. Has Anglian Water installed monitors on any unpermitted emergency overflows

#### **EIR Response: Provision of Requested Information**

Please find enclosed:

- Q4

**Item 1** is held by Anglian Water and has been provided below.

We have 10 event duration monitors on emergency overflows

**Item 2** is held by Anglian Water and has been provided below.

All emergency overflows have some sort of float or level device to record when a pumping station emergency overflow operates. These are not MCert'd EDM devices. There are 1421 of these and we will be installing EDM's on these over the next 2 AMP periods.

**Item 3** is held by Anglian Water and has been provided below.

All emergency overflows will have an EDM installed.

**Item 4** is held by Anglian Water and has been provided as an attachment.

Please see attached Q4.xlsx

**Item 5** is held by Anglian Water and has been provided below.

All emergency overflows are permitted by the Environment Agency
