Dear Requester

Thank you for your request for information about capacity at North Hykeham Water Recycling Centre, which we received on 26 November 2025. Your request has been considered under the Environmental Information Regulations 2004 (EIR).

You requested:

1. Details of the planning permissions that have been included in the capacity calculation at North Hykeham Water Recycling Centre

EIR Response: Provision of Requested Information

Please find attached:

- AW North Hykeham WRC Statement Dec 25.pdf

Item 1 is held by Anglian Water and has been provided as an attachment and below.

Please see table below which shows 79 dwellings with planning consent we anticipate/anticipated to connect in 2025.

The projected flows from these sites are then added to the 2024 dry weather flow (DWF) data which was recorded as 4524.5m³ (99.7% DWF)

We anticipate that the proposed developments may result in an additional 29.86m³ of volumetric load per day, which takes the DWF above the permitted allowance and therefore poses an unacceptable risk to the receiving watercourse.

Site	Planning Ref
Land Adjacent To Mill House Hill Top Waddington Lincoln	19/0847/FUL
93 Station Road Waddington Lincoln Lincolnshire	19/0217/FUL
Grinter House Grinter Close North Hykeham	21/0279/FUL
