Dear Requester

Thank you for your request for information about the closure of sewage treatment facilities, which we received on 11 December 2025. Your request has been considered under the Environmental Information Regulations 2004 (EIR).

You requested:

1. Since 2005 what waste water recycling centres have been closed or converted to a pumping station and what was the new receiving works
2. What waste water recycling centres are currently being closed and the name of the planned receiving works
3. Are there any plans to close waste water recycling centres in the future and the name of the planned receiving works.

EIR Response: Provision of Requested Information

Please find attached:
