Dear Local Planning Authorities,

Thank you for participating in our Sustainable Growth webinars held in February and March. We hope you found them beneficial.

As promised, please find attached the slide pack, answers to the questions raised during the sessions, and the Descriptive Works Position Statement.

We will be issuing a list of our Water Recycling Centres (WRCs) along with our corresponding planning recommendations in the coming weeks.

Please note that we will be hosting a developer webinar on the 28th of April, following the same format as our LPA webinars. Developers can sign up using the following link

Please share with anyone who would like to attend.

Should you have any questions, please contact us at planningliaison@anglianwater.co.uk (for planning and developer matters) or strategicgrowth@anglianwater.co.uk (for Local Plan or Nationally Significant Infrastructure Project matters).

Kind regards
