Subject: Webinar: Anglian Water - Delivering Sustainable Growth

When: 04 March 2025 12:00-13:00.

Where: Microsoft Teams Meeting

Hello

Following the letter from [REDACTED] and [REDACTED] on the 27th January, here is the invite to one of two webinars we are holding to discuss how we can support sustainable growth across the region.

We will cover the impact of our Final Determination and the investment coming forward to support growth, the challenges we have with both water supply and wastewater collection and treatment capacity, and how we need to work collaboratively going forwards to ensure we can collectively enable growth whilst protecting the environment and existing customers.

Please join the webinar which suits you best. Please also forward this invite to your development management and planning policy colleagues.

We look forward to speaking to you soon.

Many thanks,

[REDACTED]
