Statement of Assurance for 2022/23 Customer Charges relating to Woods Meadow and Northstowe Phase 1

1

I. Requirements for this Assurance Statement

In its charging rules for 2022/23 Ofwat sets out that it requires in relation to new appointments a statement from the Board:

- of compliance with legal obligations in relation to charging;
- of the impact assessment and handling strategies considered;
- as to the accuracy of the Company's charges scheme;
- on the process that the Company has followed in engaging with stakeholders;
- that the levels of service are at least comparable to the previous appointee's charges scheme;
- that prices do not exceed those in the previous appointee's charges scheme for similar services; and
- that prices are equivalent to those specified in the new appointee's application for each individual appointment or variation area.

II. How the Requirements have been met

In line with the prior year's charges scheme for our new appointments and as specified in our application for each appointment, we have reflected in our 2022/23 Charges Scheme the levels of charge and service for each respective customer group that have been set out in the previous appointees charges scheme as published for 2022/23.

Management has reviewed the Essex & Suffolk Water and the Cambridge Water Charges Schemes for 2022/23.

It has also reviewed the Statement of Significant Change and Board Assurance Statement for Northumbrian Water Limited (for Essex & Suffolk Water) and South Staffordshire Water PLC (for Cambridge Water).

Therefore in relation to the Woods Meadow, Wolseley and M S Oakes Business Parks, Oulton, Suffolk ("Woods Meadow") and Northstowe Phase 1, the Board can confirm that, to the best of its knowledge, the following statements are true:

- a) The Charges Scheme has been prepared in accordance with the Company's legal obligations relating to customer charging;
- b) The effect of the charges on our customers' bills is reasonable;
- c) The information contained in the Charges Scheme is accurate;

- d) The Consumer Council for Water (“CC Water”) has been consulted on our approach to charging customers respectively according to the appropriate Essex & Suffolk and Cambridge Water tariff applicable at the time;
- e) The Charges Scheme offers level of service at least comparable to those set out in the Charges Scheme of Essex & Suffolk Water and Cambridge Water respectively;
- f) The Charges Scheme offers prices that do not exceed those set out in the Charges Scheme for Essex & Suffolk Water and Cambridge Water respectively; and
- g) The Charges Scheme offers prices equivalent to those specified in our inset appointment applications.

II. Board Approval

The Board acknowledges its responsibilities in relation to the development of the Customer Charges Scheme.

The Board delegated authority to the Director of Strategy & Regulation to approve the charges for Woods Meadow and Northstowe, and this statement of assurance, at the meeting held on 21 July 2021.
